

2020-21 PE and sport premium funding report

Funding received			
No. eligible pupils: 399		Total amount received: £ 19,530	
Funding rate: £16,000 plus £3,530			
Objectives			
Objectives of spending the PE grant (taken from PE action plan.)			
To engage all children in regular physical activity each day supporting healthy active lifestyles, making links to PSHE promoting healthy living choices. Change for life days are implemented to involve and encourage the least active children.			
To raise the profile of PE and sport throughout the school providing children with the opportunity to access both intra and inter school competitions. Implement change for life days to involve and encourage least active children.			
Increase the confidence, knowledge and skills of staff teaching PE and sport across the school.			
Ensure a broad and varied range of sports and games across the school during PE sessions.			
To promote active play during lunch and break times through teacher-led and child-initiated games.			
Breakdown of spending			
Objective:	Activity:	Cost:	Impact:
Developing access and quality of the PE curriculum and promote healthy lifestyle choices for learning across the whole school. Raising the attainment in primary school swimming to meet the requirements of the national curriculum before the end of KS2.	PE lessons delivered by PE Teacher & monitored by PE coordinator 60 (LKS) Year 4 children will attend a 2-week intensive block of swimming sessions in the summer term– 10 x 45mins	3 hrs p/w ASC - £1,755	Due to Covid restrictions PE has been taught within year group bubbles. The PE leads have attended training to support staff in the delivery of PE throughout this time with in depth planning organised, ensuring PE sessions are continuously at a high standard of delivery. Due to the Covid restrictions swimming sessions have not been able to commence at this present time and will be booked as soon as restrictions allow.
		9hrs p/w PE lead - £8,073 Total 9,828	
Total spend on objective:			£13,828
To enable the school to actively participate in intra and	Tunstall & City sports association fees	£100	

<p>inter school competitions.</p> <p>To develop children's awareness and understanding of a healthy lifestyle, working alongside the PSHE curriculum.</p> <p>To increase the children's fitness levels after 6 months of inactivity during lockdown.</p>	Staffing to supervise pupils at outside competitions/events	£1,440	Change for life days have continued throughout the restrictions with virtual activities and competitions.
	School Games leader support – change4life, assemblies, CPD	£1,000	School Games leader has continued to support the school throughout this time, offering training sessions for staff, pupil surveys and guiding to lots of free or virtual games and sports.
	Change4life days (x3)	£100	Unfortunately, no outside competitions have been able to take place and has a result no extra supervision for pupils was required. Cricket sessions are booked for Summer term with an external agency if restrictions allow. 68% of children in both year 5 classes completed and passed the training and 100% of year 1 children completed the learn to ride training in year 2.
	Couch to 5k and the golden mile initiative.	PE teacher lead in PE lessons	Children were able to improve fitness levels on return to school by participating in this fitness building scheme. All children are not fully active in PE sessions, shown by participation percentages in lessons.
	Upgrading outdoor PE equipment for lunch and break times.	£567	This equipment is currently on order to ensure the children are making the most out of their break and lunch times. To ensure children are active and continually building their fitness levels.

Total spend on objective:			£2,495
Spend remaining:			£ Nil

Impact of premium use	
Impact on pupils' participation:	<p>All pupils are now fully active in PE sessions within school and non-participation is at an all time low. 98%-100% of children participate in weekly PE sessions.</p> <p>Children come to school in PE kits on their PE days also contributing to more children participating in PE as they no longer need to remember their PE kits. PE kits for PP children have been distributed where required and spare uniform kept in school for children that may require it.</p> <p>PE activities and competitions have been distributed to parents at home to ensure children can continue to be active during this restrictive time.</p> <p>The PE teacher continues to hold weekly active sessions via teams throughout the week to boost children's active participation above and beyond PE sessions.</p>
Impact on pupils' attainment:	<p>Even though the restrictions have prevented many competitive sports for the children the school have continued to teach a wide range of games and sports through PE sessions within class bubbles. Children have accessed virtual activities and sports competitions in both Key Stage 1 and 2, including change for life days.</p> <p>Heatmaps were completed at the beginning of the year to highlight where children are most and least active, staff have worked through this tricky time ensuring that active breaks and brain breaks support the children in building up their fitness and stamina levels.</p> <p>Focus has been on the children's mental health and extra focus given to PSHE this year to support the children during these tough times.</p> <p>The school have continued to work closely with the school's games framework and continued to work at a gold level, with active participation and support from our school games leader.</p>

	<p>68% of children in both year 5 classes completed and passed the training and 100% of year 1 children completed the learn to ride training in year 2.</p> <p>PE lead has attended an in-depth 'girls' football' course ready for when restrictions lift.</p>
<p>How the premium has allowed pupils to develop active lifestyles:</p>	<p>Improvement of breaktime equipment has enabled the children to become more active for longer periods of time during lunch and break times.</p> <p>Home PE and active activities have enabled children to explore how they can be active at home and in their own time, this will encourage the chn to continue to be active in their own time.</p> <p>Themes for change for life days and enrichment opportunities enable the children to explore different methods of active travel to school, cooking and mental well- being activities.</p>
<p>How the academy will sustain the improvements:</p>	<p>Staff training to maintain high quality PE. Complete the PE SEF to ensure</p> <p>Continue to provide the children with new opportunities in sports.</p> <p>Continue to plan enrichment opportunities that increase the breadth and status of PE throughout school as soon as restrictions lift.</p> <p>Continue to monitor heatmaps to ensure that high levels of physical activity are implemented daily.</p> <p>Support from our school games leader to achieve the Platinum award in the school's games mark.</p> <p>To use funding streams to ensure the high intensive swimming black continues for year 4 children and the children that have missed this opportunity due to restrictions.</p>
