

Digital safeguarding

The academy's **digital safeguarding lead** is Mr Hill. Children and adults are able to report any online safety concerns by emailing packmoor@packmoorormiston.co.uk

Reporting Harmful Content

Children and adults can take direct action to report harmful content online, by clicking on the RHC button below:

Reports can be made 24/7 through the online reporting forms and helpline practitioners will review and respond to reports within 72 hours, between 10am and 4pm Monday to Friday.

The helpline works to remove 8 different types of online harmful content

- Bullying and harassment,
- Impersonation
- Online abuse
- Pornography
- Self-harm or suicide content
- Threats
- Unwanted sexual advances
- Violent content

CEOP (Child Exploitation and Online Protection Centre)

CEOP is a law enforcement agency and is there to help keep children and young people safe from sexual abuse and grooming online

CEOP is unable to respond to reports about bullying, fake accounts or account hacking.

This is for children 16 and under or concerned adults.
