

## Head Pupils 2025/26

Well done to all the Y6 pupils who put themselves forward to be Head pupils. It was a difficult decision for all the Year 5 and Year 6 pupils who voted as well as the staff.

All the children did themselves proud and the speeches were of exceptional quality showing their love and passion for the school .

We will have a great group of prefects.

Congratulations to Cole, Dougie, Rina & Jasmine who were elected into the Head pupil roles and we look forward to seeing their impact over the course of the year.

**Flu Immunisations** will take place for children in Reception to Year 6 on

**Monday 29th September**

**Consent forms must be submitted by 10.00am on Thursday 25th September.**

The full letter is available to view on Dojo and Tapestry.

Please complete the online consent form using the following link:

## Health & Safety

Can we remind all parents not to drive into the school grounds to drop off children for Breakfast Club. Please use alternative parking on the Millennium Green or Community Centre.

Thank You

## Attendance at Packmoor

### Information for parents/carers

Regular attendance at school is vital to help children achieve and get the best possible start in life. All children aged between 5 and 16 are required, by law, to receive an education, and it is the duty of their parents/carers to ensure that they are supported to do so.

Packmoor Ormiston Academy has an Attendance Policy, which is available to view on the Academy website.

We will contact parents/carers directly should we have any concerns about a child's attendance, or if your child attendance falls below 95%.

A fixed Penalty notice fine will be issued for unauthorised absences from school. This includes holidays taken during term time.

Please feel free to contact the main school office should you wish more clarification or click the link below.

### Illness - Is my child to ill for school?

It can be tricky deciding whether or not to keep your child off school, when they're unwell.

There are government guidelines for schools about managing specific infectious diseases at GOV.UK. These say when children should be kept off school and when they shouldn't.
