

Clubs

Extra-curricular clubs are an incredible way for our children to learn things that are not often inside of the curricular day. We have a range of clubs on offer at the school every half term for children. They are a great way to meet new people and try new and exciting things.

While these lists are updated from time to time, they will give you a good idea of what clubs will be happening and what is coming up! More clubs may be added throughout the year so watch this space! If you have questions or suggestions about clubs, please contact Mrs Davies

Extra-curricular clubs Yearly Overview 2025/2026
